P.C.:

This appeal is filed for enhancement of the sentence. The respondent is only 21 years of old and the learned Judge has stated that looking to his age, absence of any previous criminal record and possibility of his reforming, benefit of Probation of Offenders Act was granted. In our opinion, the order, therefore gives a chance to the accused to reform himself and behave good social being. Enhancement of sentence in such circumstance may do evil than justice. Hence appeal is rejected.
